**From Oxford University Press, USA : Comparative Corporate Governance: The State of the Art and Emerging Research** before purchasing it in order to gage whether or not it would be worth my time, and all praised Comparative Corporate Governance: The State of the Art and Emerging Research:

This book comprises a comprehensive survey of the most recent research being done on corporate governance in the

triad -- Europe (with particular emphasis on Germany and the UK), the US and Japan. The comparative nature of the research brings forth new insights which studies conducted within one system may fail to produce. The contributors to this volume represent a unique sample of scholars from throughout the triad and across disciplines.
