Robert F. Schopp : Competence, Condemnation, and Commitment: An Integrated Theory of Mental Health Law (Law and Public Policy: Psychology and the Social Sciences)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Competence, Condemnation, and Commitment: An Integrated Theory of Mental Health Law (Law and Public Policy: Psychology and the Social Sciences):

Central institutions of mental health law rarely provide a clear conception of mental illness or a clear justification for the differential treatment given to those with mental illness. This book creates a bold new framework for examining the major intersections between legal institutions and the idea of mental illness. Efforts to reconcile involuntary commitment with the right to refuse treatment are reviewed, along with a compelling case for requiring, as a prerequisite to commitment, a determination of decisional incompetence.
