Peter Wahlgren : Computer Law Series: Automation of Legal Reasoning, Vol 11 before purchasing it in order to
gage whether or not it would be worth my time, and all praised Computer Law Series: Automation of Legal
Reasoning, Vol 11:

This book provides an analysis of the development which has lead up to the formation of a joint field of artificial intelligence and law. It discusses the basic foundations and also addresses the future prospects of the discipline. The author formulates a design approach for advanced Artificial Intelligence systems for law, and concludes with a discussion about the potentialities and the consequences of future development.
