"A sure-fire way to get a 1st class result" --Naomi M, law student, Coventry University"Since I started using the OUP QandA guides my grades have dramatically improved" --Glen Sylvester, law student, Bournemouth University"100% would recommend. Makes you feel like you will pass with flying colours" --Elysia Marie Vaughan, law student, University of Hertfordshire"Excellent. Very detailed answers which makes a change from the brief answers in other guides. They do not assume knowledge and explain things step by step which is fantastic" --Frances Easton, law student, University of Birmingham"I would not hesitate to recommend this book to a friend" --Blessing Denhere, law student, Coventry University"The content is exceptional; the best QandA books that I've read" --Wendy Chinenye Akaiigwe, law student, London Metropolitan University"I think QandA guides are crucial and advise my students to buy early on" --Loretta Trickett, law lecturer, Nottingham Trent University"Much more substantial and less superficial than competitor QandAs. Some guides are rather too simplistic but the OUP guides are much better than the norm" -- Dr. Tony Harvey, Principal Law Lecturer, Liverpool John Moores University"Cleverly and carefully put together. Every bit as good as one would expect from OUP, you really have cornered the market in the revision guides sector. I am also a huge fan of the OUP Concentrate series and I think that these books sit neatly alongside this" --Alice Blythe, law lecturer, University of Bolton"I do find OUP's Concentrate guides, as usual with your range of publications, at the top end of the range. I will happily recommend this book to my students" --Gerald Schaefer, law lecturer, Aberystwyth University
