Robert I. Simon : Concise Guide to Psychiatry and Law for Clinicians, Second Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Concise Guide to Psychiatry and Law for Clinicians, Second Edition:

This pocket-sized guide organizes a range of information into a quick-reference format. Numerous tables and a

glossary of legal terms summarize essential information. This edition has been updated to include many of the changes in legal issues. This edition is kept brief with ten chapters but covers subjects relevant to psychiatrists: clinical psychiatry and the law; the doctor-patient relationship; confidentiality; informed consent; psychiatric treatment; seclusion and restraint; involuntary hospitalization; suicidal patients; potentially violent patients; and sexual misconduct.

I have read virtually every one of Bob Simon's books and find them to be clearly written, helpful and scholarly... -- Robert L. Sadoff, M.D., Clinical Professor of Psychiatry, Director, Center for Studies in Social-Legal Psychiatry, University of Pennsylvania, Jenkintown, Pennsylvania This is an excellent handbook, both authoritative and concise -- Doody's Health Sciences Book Journal While the law may change more slowly than today's practice of medicine, six years (1992-1998) has produced sufficient new developments in both law and psychiatry to warrant this second edition of Dr. Simon's excellent concise guide. -- Jonas R. Rapoport, M.D., Clinical Professor (Emeritus), University of Maryland School of Medicine and Associate Professor of Psychiatry, Johns Hopkins University School of Medicine, Towson, Maryland [there are] sufficient new developments in both law and psychiatry to warrant this second edition of Dr. Simon's excellent concise guide -- Jonas R. Rapoport, M.D., Clinical Professor (Emeritus), University of Maryland School of Medicine and Associate Professor of Psychiatry, Johns Hopkins University School of Medicine, Towson, Maryland About the Author Robert I. Simon, M.D., is a Clinical Professor of Psychiatry and Director of the Program in Psychiatry and Law at Georgetown University School of Medicine.
