**The City Law School : Conference Skills (Bar Manuals)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Conference Skills (Bar Manuals):

Covering all aspects of the client interview, Conference Skills is designed to help trainee barristers develop the key written, interpersonal, and case-work skills required to conduct successful client conferences. Special attention is devoted to skills of questioning, listening, and advising, to ensure the trainee barrister is well equipped to maximise a client conference in terms of gathering information and giving advice. Featuring numerous how-to-do-it guides,

worked examples, and realistic case documentation, the manual offers practical step-by-step guidance so that the trainee barrister can approach any client conference with confidence.
