C. Suzanne Bailey, Chana Barron : Constitutional Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Constitutional Law:

0 of 0 people found the following review helpful. It is What it IsBy Matthew2011If you are interested in Political Science, Politics, the LAW... this book will bore you to tears, BUT it is necessary to you education and you know it. Not a great full of case law briefs and you know how boring Justice Scalia and Justice Rehnquist can be.0 of 0 people found the following review helpful. ThanksBy diana cortesQuality of service and product is perfect, that is all i have to say thanks! is not that enough informantion? I do not like the system decides how many words I have to say0 of 0 people found the following review helpful. Good PriceBy YolandaThis book sold at the bookstore for \$130.00. I was able to get it here for \$18.00. Awesome deal! I will definitely check into getting all of my books here.

With essential coverage of governmental powers, structures, and civil liberties, this text is distinguished from other

law books by its concise approach for undergraduate study. Well-edited cases are used to illustrate the subject, as the authors describe and explain constitutional law in their own narrative. Students are also engaged in learning through the use of graphs, illustrations, and review and discussion questions, which enable them to develop problem-solving and analytical abilities. Without overwhelming amounts of material, the text challenges students to learn constitutional law in a progressive and reader-friendly format, and is particularly appealing to undergraduate instructors in legal studies, political science, and other law programs.

About the Author
C. Suzanne Bailey practiced law for several years prior to becoming a professor. Throughout her teaching career she has taught criminal procedure, evidence, current issues in the courts, civil law, employment law, alternative dispute resolution, legal research and a variety of special topic courses. Professor Bailey has published a number of articles over the course of her career and has previously co-authored the book, *Constitutional Law*. She is currently an Associate Professor at Western Illinois University-Quad Cities in Moline, Illinois.
Chana Barron, J.D., M.S. is a Ph.D. candidate at the University of Iowa, where she is an Instructor in the Sociology Department. Prior to that she was an Assistant Professor at Auburn University at Montgomery. She also worked for the Dept. of Justice and Public Safety School during her previous years at Auburn University.
