Fred Rosner : Contemporary Biomedical Ethical Issues and Jewish Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Contemporary Biomedical Ethical Issues and Jewish Law:

0 of 0 people found the following review helpful. Easy to readBy Hadas Y.Gives you a basic understanding and overview! Easy to read, informative. I was hoping for more case studies and dilemmas being resolved.However overall a good book.2 of 4 people found the following review helpful. A revealing, engrossing discussion.By Midwest Book ReviewNew advances in biomedical technology and therapeutics have created a moral crisis in modern

medicine, challenging options and creating new problems affecting the Jewish community in particular. This blend of spiritual, medical and Jewish insights addresses these concerns, survey ethical issues and Jewish law ranging from patient rights to informed consent and end-of-life options. College-level Jewish collections strong in medical surveys will find it a revealing, engrossing discussion. Diane C. Donovan California Bookwatch
