Marlene Bizub : Contentious Custody: Is It Really in the Best Interest of Your Children? before purchasing it in order to gage whether or not it would be worth my time, and all praised Contentious Custody: Is It Really in the Best Interest of Your Children?:

In child custody cases, parents do not always have their children's best interests at heart. Parents want what they want. This leads to contentious custody battles. But there is a better way. *Contentious Custody* provides a guide to putting the needs of the children at the forefront and how to protect them during divorce. A must read for separating parents, family members of someone going through separation or divorce, and professionals working with separating parents.
