**Aqua Group : Contract Administration for the Building Team** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Contract Administration for the Building Team:

Third in the Aqua Group series, which includes Tenders and Contracts and Pre-contract Practice, this book covers the

process from receipt of tenders, to placing of the contract, through the whole post-contract period to settlement of the final account. The new edition takes into account the range of old and new procurement methods, and covers the latest amendments to JCT 80 and the new CDM Regulations.

From the Back Cover This, the third in the Aqua Group series which includes Tenders and Contracts and Pre-contract Practice, covers the process from receipt of tenders, to placing of the contract, through the whole post-contract period to settlement of the final account. The new edition takes account of the widening range of procurement methods, and includes the latest amendments to JCT 80 and the new CDM Regulations.
