I will definitely buy from this merchant again!0 of 2 people found the following review helpful. Contract law book reviewBy Krista WidemanI had a great experience with this seller. My book arrived sooner than expected and it was brand new like stated. The price was wonderful compared to the price at the campus book store. Thanks for making education more affordable!

Written from the paralegals perspective, this book examines the ethical, practical and professional topics relating to

Contract Law and combines both substantive material and contemporary cases. Offering exceptional coverage of e-contracts and technology, it emphasizes contract law as an important core competency for all paralegals. Each chapter is infused with application-oriented features that range from scenarios to feature articles to portfolio-building exercises. End-of-chapter material focuses on reinforcing skills through internet exercises, case questions and case-briefing assignments. Throughout the book, each chapter shows how paralegals work with contracts and why it is important for all paralegals to understand contract law. Paralegals
