Assistant Professor Stanley L Brodsky : Coping with Cross-Examination and Other Pathways to Effective Testimony before purchasing it in order to gage whether or not it would be worth my time, and all praised Coping with Cross-Examination and Other Pathways to Effective Testimony:

Health professionals, substance abuse counsellors, psychologists, handwriting analysts and experts on physical evidence should be interested in this book that teaches readers about the typical techniques attorneys use to challenge experts' credibility and the basis of their opinions. Pointers on preparation and effective narrative style are included, backed by findings from the emerging literature on the assessment of expert testimony.
