Carol Ann Simpson : Copyright Catechism II: Practical Answers to Everyday School Dilemmas before purchasing it in order to gage whether or not it would be worth my time, and all praised Copyright Catechism II: Practical Answers to Everyday School Dilemmas:

2 of 2 people found the following review helpful. Clarifies educator dilemmasBy Dorothy S.When to use the Fair Use law can be confusing. This a question and answer book. I don't usually like this format, but with this topic it worked.

One question was exactly mine, and the answer very helpful. It is really good, and when there are conditions which affect the law this points them out clearly. Yes, I recommend it to teachers, students and staff who make copies for educators and don't know when to refuse to make copies because of possibly violating copy rights.

This book contains valid, real-world copyright questions posed by real-life educators all answered by a knowledgeable and experienced school attorney.

"Simpson offers practical applications and has updated all responses to reflect copyright law as of spring 2011. . . . With good questions that give pause for thought and a clean, easy-to-read layout, this is a solid addition to the copyright professional shelf." - Booklist Online "Well-indexed. . . . A ready reference full of great information. Highly recommended." - Teacher Librarian
About the Author Carol Simpson is an attorney in private practice who represents school districts.
