Irini Stamatoudi : Copyright Enforcement and the Internet (Information Law Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Copyright Enforcement and the Internet (Information Law Series):

In the years to come, as more and more lawyers are confronted with issues involving copyright enforcement on the Internet, this book's value as a springboard to the informed future development of this area of legal theory and practice will become more evident. For this reason, as well as for its richly detailed treatment of trends and current reality in the field, it is sure to be read and put to good use by business people, international lawyers, government officials, and interested academics in all parts of the world.
