Julie E. Cohen, Lydia P. Loren : Copyright in A Global Information Economy 3e before purchasing it in order to gage whether or not it would be worth my time, and all praised Copyright in A Global Information Economy 3e:

1 of 1 people found the following review helpful. Interesting ReadBy Colin M.Not much else to say aside that this is one of the more interesting and concise casebooks I've used for law school than most others.0 of 0 people found the following review helpful. fun casesBy Tammi C.The cases are fun, interesting, entertaining, and keep your guessing. The book was very helpful in understanding the complex world of copyright law.0 of 0 people found the following review helpful. Copyright in A Global Information Economy 3eBy Lola GranolaThe cases are relevant, at least.

Revised, updated, and restructured for its Second Edition, *COPYRIGHT IN A GLOBAL INFORMATION ECONOMY* continues to explore the full range of copyright law and emphasize the relationship between the law, technological change, and globalization. Changes for the Third Edition reflect both legal developments and classroom experience: significant new cases include *Eldred v. Ashcroft*, *Dastar Corp. v. Twentieth Century Fox Film Corp.*, *MGM v. Grokster*, *Lexmark v. Static Control Components*, and *Chamberlain Group v. Skylink* addresses recent legislative changes and proposals, including the Family Entertainment and Copyright Act passed in April 2005, the TEACH Act passed in 2002, proposed legislation concerning database protection and copyright maintenance fees, and additional international evolution in the area of digital rights management (particularly in Europe) opening chapters are restructured to provide an extremely teachable set of introductory materials for the first day of the semester more extensive discussion of open source and creative commons as licensing models for copyright owners revised material exploring the substantial similarity inquiry uses recent cases that more clearly articulate the appropriate analysis material on secondary liability now examines the implications of *Grokster*, as well as Internet service provider liability and the safe harbor provisions of the DMCA expanded material on the anticircumvention provisions of the DMCA now includes excerpts from *Lexmark* and *Chamberlain* in addition to *Remierdes*
