G P Cornish : Copyright: Interpreting the Law for Libraries, Archives and Information Services, Fifth Edition (Facet Publications (All Titles as Published)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Copyright: Interpreting the Law for Libraries, Archives and Information Services, Fifth

Edition (Facet Publications (All Titles as Published)):

This deskbook sets out to explain the provision of the UK Copyright Act and supporting legislation in quick and easy question-and-answer form. This edition incorporates recent legislation and some court decisions which have changed our understanding of what the law means.

About previous editions: Cornish's "Copyright", which has become a standard work in its field, explains the provisions of the UK Copyright Act and supporting legislation in quick and easy question-and-answer form. About previous editions: 'A real timesaver for the general practitioner attempting to get a quick fix on the day-to-day issues that they may be bombarded with in the context of copyright.' elucidate 'It is succinct, is written in a layman's language and is sufficiently comprehensive - My overall impression of the book is that it achieves its aim of being a working tool for the LIS practitioner.' HEA-ICS 'Cornish makes copyright easier to understand and apply. A must for any library.' Library Management About the Author Graham P. Cornish BA FCLIP was Programme Director for the IFLA Availability of Publications Programme, and responsible for copyright interpretation throughout The British Library. A former President of CILIP, he is now an independent adviser and trainer working under the label (c)opyright Circle.
