From Edward Elgar Pub : Copyright Law: A Handbook of Contemporary Research (Research Handbooks in Intellectual Property) before purchasing it in order to gage whether or not it would be worth my time, and all praised

Copyright Law: A Handbook of Contemporary Research (Research Handbooks in Intellectual Property):

Copyright law is undergoing rapid transformations to cope with the new international digital environment. This valuable research Handbook provides a thorough and contemporary tableau of current thinking in copyright law. It traces the changes undergone and the challenges faced by copyright, as well as its roots and its diversity, combining to present a colourful picture of a dynamic research area. The editor brings together an elite group of international copyright scholars who offer incisive and original analysis of a wide range of issues and aspects of copyright law, and in some cases a multiplicity of perspectives on a single topic. Rigorous and often thought-provoking in nature, this research Handbook clearly maps the current landscape, and will also undoubtedly stimulate further research in the field. Analysing the cutting edge of current copyright research, Copyright Law will be of great interest to researchers, students, practitioners and policymakers.

'... this book provides an interesting insight into many aspects of copyright law. It is a useful resource not only for those whose core practice is copyright but also those involved in industries reliant on copyright.' -- New Zealand Law Journal
About the Author Edited by Paul Torremans, Professor of Intellectual Property Law, School of Law, University of Nottingham, UK
