**Roger Schechter : Copyright Law (Law School Legends Audio Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Copyright Law (Law School Legends Audio Series):

Copyright Law provides a clear, easy-to-understand explanation of the law. This audio lecture is useful for class review and exam preparation and it enables you to study at your convenience. It includes introductions, notice, registration and deposit, and infringement. Coverage includes The Constitution, patents v. property ownership, subject matter copyright, duration and renewal, ownership and transfer, formalities, reproduction and derivative works, public distribution, public performance and display, exemptions, fair use, photocopying, remedies, and preemption of state law. You'll find exam tips and hypotheticals to help you master the subject.

About the Author Professor Roger E. Schechter is an alumnus of Harvard Law School. He currently teaches at George Washington University Law School, where he has been on the faculty since 1980, and has twice received awards for teaching excellence. Professor Schechter is also the author of numerous books and articles dealing with various areas of intellectual property law. He is also a lecturer for Bar/Bri Bar.
